- Crevice Tool

Hooks directly to any Clarke American Sanders DC-ready rotary sander with a 1.5 inch outlet.

The adjustable lumbar support provides comfort that helps the operator work longer.

The easy-to-use cord restraint with cord loop allows for ease of use.

144 CFM of suction power

Arrows assist operator with securing canister lid and latches in the correct position

10 quart capacity tank

Durable locking levers ensure quick access to the bag

Side-mounted ON/OFF switch for convenience

Rugged polypropylene plastic outer shell

Exhaust air directed away from operator and floor

Tired of getting that puff of dust every time you replace a bag? And don't forget that mess...

**Changing out the CAV 2.2 bag is as easy as 1-2-3**

Remove the paper label to expose the adhesive. Fold the bag in half to stick the adhesive together. Remove the bag.

Self-adhesive, disposable bag for fast and clean bag removal.

Large 10-quart capacity bag captures all the dust and dirt.
