

ADVANTAGE[®] 400

Max. Delivery	.47 GPM
Max. Tip Size	.021"
Max. Operating Pressure	3100 PSI
Weight (skid frame)	38 lbs.
(high rider)	59 lbs.
Motor	.75 hp

The ADVANTAGE 400 was designed to minimize size and weight without sacrificing performance. We built this unit to deliver .47 GPM – making it the highest performing sprayer in its class and therefore ideal for smaller residential and commercial applications.

- Designed to consistently spray 50–100 gallons per week
- Ideal for applying stains, lacquers, enamels, latex, and other low and medium viscosity coatings

Configurations:

- Skid Frame 0552054*
- High Rider 0552071*

*Complete with G-10 gun, 517 TR1 reversible tip and 1/4" x 50' airless hose.

Exclusive .75 DCX Motor
Sealed and protected from overspray

Reliable Electric
Pressure Control

Self-Lubricated Gears
For lifetime service

High Flow Prime
Spray Valve

Easy-Carry Handle
Light weight and portable

Large Drip Cup

Stationary Packings
No cylinder to wear or replace

Quick-Release Swivel Suction Set

Recommended for smaller residential and commercial projects where a lightweight sprayer has the most practical application.

Reliable Piston Performance

One Piece Design

Allows maximum fluid flow while minimizing wear and pressure loss

Static Packing Design

No need for a wearable cylinder = lower repair costs

High Flow Prime/Spray Valve

Piston Rod

Has thick wall section for longer life and better durability

Large Manifold Filter

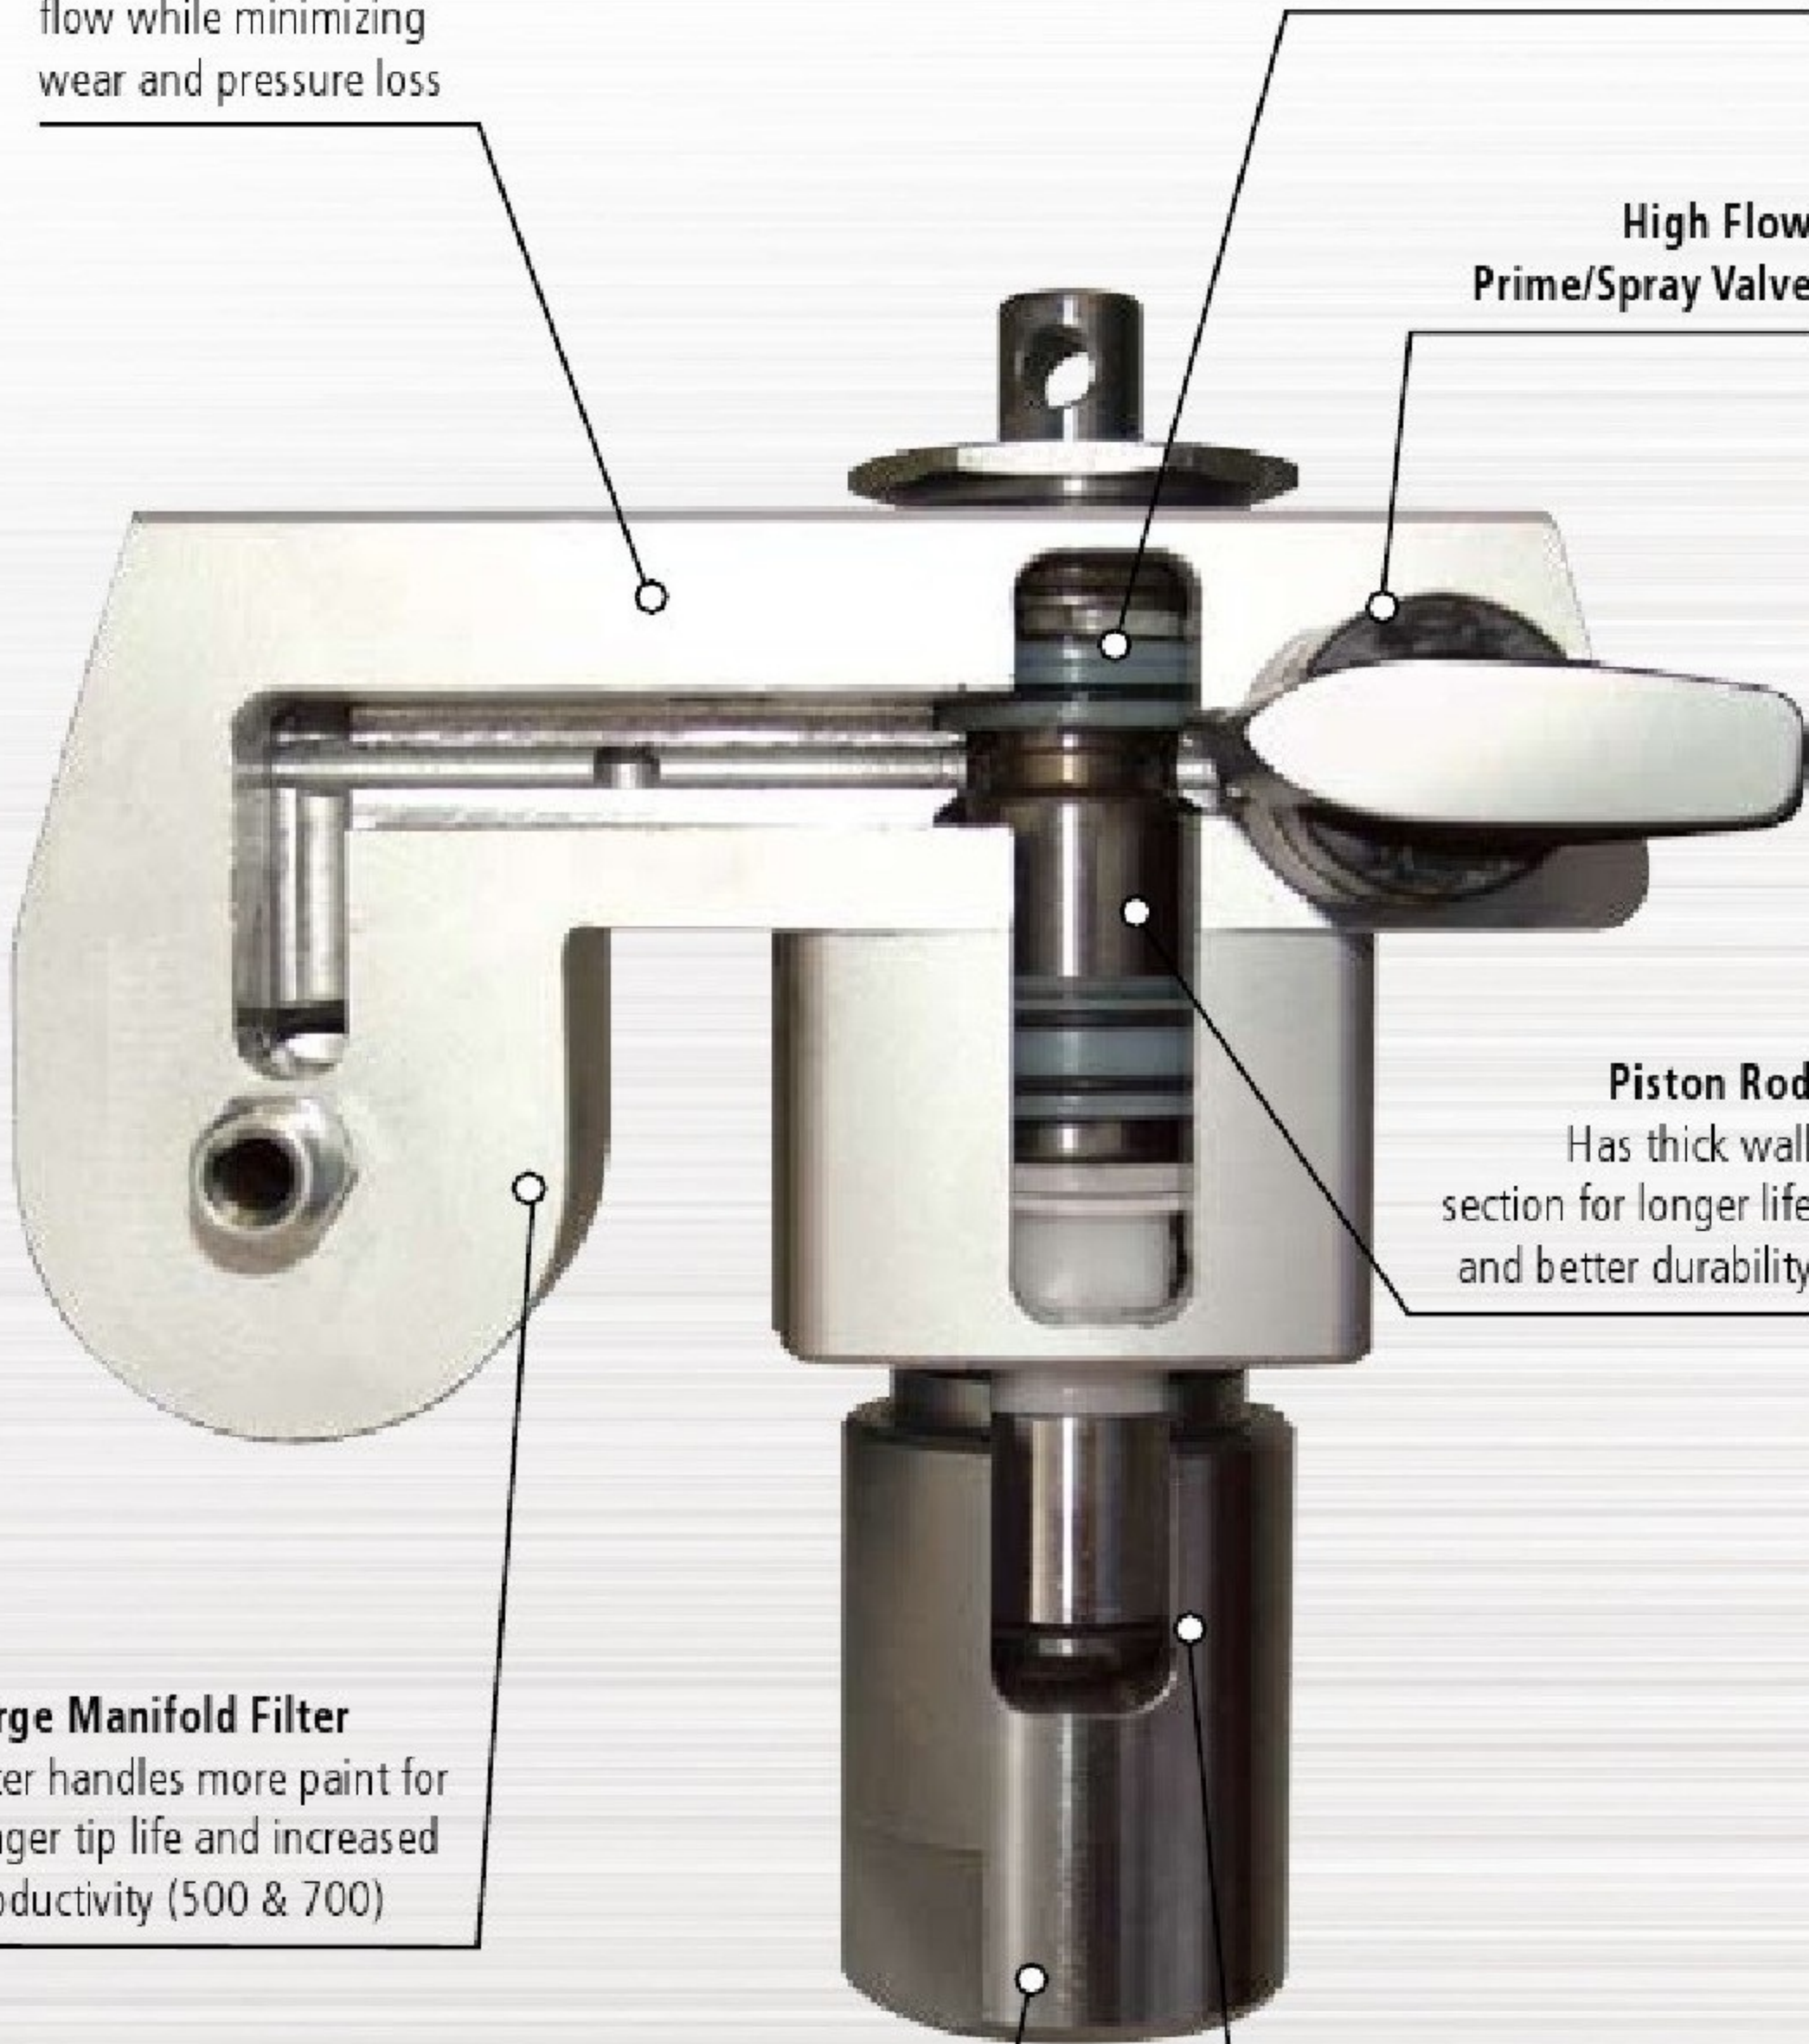

Filter handles more paint for longer tip life and increased productivity (500 & 700)

Exclusive Quick Disconnect

To remove "Easy-Out" siphon swivel from lower inlet housing

Rotating Ball Valves

Stainless steel keeps debris from sticking, reducing downtime and maximizing performance and life

Why Titan Electric Sprayers?

Interior and exterior projects – from kitchen cabinets to the block siding of a factory – are profitable only if the work can be done faster than a simple brush and roll. For that you need the kind of power and reliability you have come to depend on from a Titan electric airless sprayer.

Backed by the most powerful warranty in the industry, our sprayers incorporate the durability and reliability you depend on to get interior and exterior projects done quickly and perfectly the first time. Whether your applications include a closet or a full-scale commercial jobsite, we have an electric airless sprayer designed and built for your needs.

TOTAL RELIABILITY

- Proven technology - you finish every project quickly and profitably
- Superior design and construction maximizes the service life of your electric airless sprayers
- Complete diversity – we have the right equipment for every fine finishing application
- Half a century of getting the job done right – TITAN is the name you trust

ADVANCED PERFORMANCE
