

Titan™ CAPSPRAY® Series HVLP Sprayers

Fine finishing is a scientific art form that requires experience, talent and the very best sprayers and equipment available on the market today. Woodworking, cabinetry and furniture finishing projects require the performance that only TITAN CAPSPRAY can deliver. These lightweight, portable, low overspray HVLP sprayers are the turbine powered equivalent of paint brushes; designed and manufactured to apply a broad range of fine finish coatings – from stains to paint – with speed and pinpoint precision. After three decades of dependable performance in the field and workshops around the world, CAPSPRAY series HVLP sprayers and equipment have earned a reputation as the best in the industry.

What sets Titan CAPSPRAY apart from the others?

Power – The ability to atomize heavy, viscous coatings without thinning while achieving transfer efficiencies as high as 90%

Versatility – Apply a wide range of materials, from the thinnest stains to latex and texture finishes

Portability – Compact, lightweight design makes these HVLP sprayers easy to transport and store

Intelligent Design

- Dual air filters (CS55 and CS75)
- Dual air filtration uses an automotive quality air filter with a pre-filter on the atomizing air side (CS95, CS105 and CS115)
- Built in cup and gun holder
- Tool box for needles, nozzles, check valve and nozzle wrench.
- Dirty filter warning light (available on CS75 through 115 models).

Titan – The first and last name in fine finishing equipment

Tool Box

All CAPSPRAY turbine units meet HVLP standards for EPA, CARB and SCAQ-MD standards.

TITAN™

CAPSPRAY® SERIES Model 95

As business grows, so does the size of the projects. When more power is needed, professionals rely on the CAPSPRAY 95, a powerful, versatile 4-stage turbine unit designed to apply a wide range of coatings, from ultra-thin stains to heavy latex paint. Recommended for medium-size residential and commercial projects.

Specifications

Air Pressure	9.5 PSI
Turbine	4-Stage Tangential
Hose Length	30'
Gun Included	Maxum II
Weight	22.5 lbs
P/N	0524032

TITAN™ CAPSPRAY® SERIES HVLP TRANSFER PUMP

This revolutionary piston pump turns your HVLP fine finish gun into a production finishing tool

- Pumps directly out of containers like 1 gallon can
- Allows for continuous painting applications
- 4 pumping speeds with an adjustable pressure control
- Pumps stains to interior latex
- Easy, fast clean up
- Eliminates the need for a quart cup, 2 quart remote or pressure pot
- Includes suction and return tubes, 30' paint hose, and filter
- Fits directly into the CAPSPRAY 75, 95, 105, or 115

Designed for extended use on jobs where frequent quart cup refilling is not desirable. Recommended for fine finishing professionals and contractors with serious finishing projects.

Turbine sold separately

HVLP Transfer Pump Specifications

Max. Fluid Pressure	35 PSI (2.4 MPa)
Max. Fluid Flow	20 oz / min
Flushing Flow Rate	40 oz / min
Unit Weight	3.3 lbs (1.5 kg)
Max. Hose Length	30' (9.1 m)
P/N	0524038

Why Titan Fine Finish Equipment?

Whether it's intricate woodwork, cabinetry and furniture or metal railings, piping and lockers, fine finishing is a big step up from ordinary coating applications, one that requires power, precise control and absolute dependability. For these reasons, professionals rely on Titan fine finishing sprayers and equipment. Backed by the most powerful warranty in the industry, our sprayers incorporate the durability and reliability you depend on to get finishing projects done quickly and perfectly the first time. Whether your applications include touch-ups, occasional woodwork finishing or full-scale industrial jobsite or workshop projects, we have fine finishing sprayers and equipment designed and built for your needs.

ADVANCED PERFORMANCE

- Titan fine finishing equipment is designed BY professionals FOR professionals
- Our fine finishing equipment is built for precision work and long life
- The latest engineering technology ensures ease of use and dependability
- Our fine finishing equipment meets and exceeds the expectations of contractors who want to do the job right the FIRST time

TOTAL RELIABILITY

- Proven technology — you finish every job quickly and profitably
- Superior design and construction maximizes the service life of your fine finishing equipment
- Complete diversity of equipment — we have a finishing tool for every application
- Half a century of getting the job done right — Titan is the name you trust

UNSURPASSED SERVICE

- Dependable, reliable network of authorized sales and service distributors
- The best customer service in the industry to help you select and maintain your sprayer
- Professional application and service representatives ready to assist you with recommendations and technical support

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

When you purchase Titan fine finishing sprayers or equipment you purchase performance. We stand behind that assurance and are so confident in the quality of our sprayers that we offer the best and longest warranties in the industry, including:

- 4-Year Manufacturer's Defects
- 35-Day Satisfaction Guarantee
- Express Parts Program
- WearGuard™ Convenience Program

Cabinetry and Furniture

The most critical of all fine finishing applications — where perfection meets performance and there is no room for error.

Woodwork and Trim

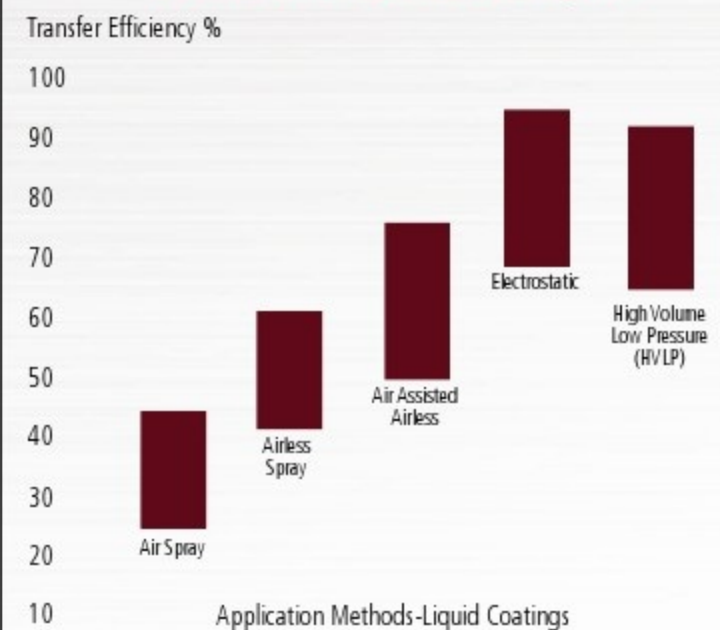

The right fine finish sprayer lets you zip through woodwork and trim in a fraction of the time it takes to finish by hand.

Production Scale and Shop Work

Time is money and speed is profit — if the job is done right the first time. That's why serious professionals choose Titan.

Transfer Efficiency %
