

Titan™ IMPACT® Series

When business is booming, maximize the IMPACT of your investment

Business is demanding and you need the kind of performance you expect from TITAN sprayers. It's time to invest in the expanded features and performance that will make a major IMPACT on your profit margin. Titan IMPACT electric airless paint sprayers are the best-designed, best-performing and most popular sprayers in their class.

Titan IMPACT Series Paint Sprayers

- NEW! Quad+ Packings – designed to wipe abrasive coatings clean during operation, preventing damage to the piston or the main sealing lip
- NEW! Auto-Oiler – with the push of a button you can deliver oil from the reservoir directly to the packings
- NEW! Sureflo™ Pusher Valve lets you release stuck lower ball valve without using a hammer
- Digi-Trak Control and Integrated Digital Display (available on selected units)
- Dura-Life™ brushless HE motor (available on selected units)
- EZ Tilt™ cart allows for easy clean-up and faster pail changes (available on selected units)
- Easy Out™ fluid section (available on selected units)

These high-performance, light, medium and heavy-duty electric airless paint sprayers are designed for sustained operation on wide variety of projects, from a single room in a cottage to a warehouse or manufacturing facility. Recommended for serious contractors prepared to invest in long-term performance.

Titan™ ADVANTAGE® Series

When dependable simplicity means affordable profitability

Contractors working to build their business want the best value for their hard-earned dollars. That's why we created the TITAN ADVANTAGE Series: these simple, durable and affordable sprayers are built to work as hard as you do.

Titan ADVANTAGE Series Paint Sprayers

- Designed for simple, user-friendly operation with maximum performance
- Exclusive lifetime warranted DCX Motor is sealed and protected from overspray
- All units feature a time-tested, painter-proven sleeveless fluid section that minimizes repair costs

These durable, high-performance electric paint sprayers are designed for sustained operation on a wide variety of projects – from a single room to a warehouse. Recommended for contractors who want dependability and reliability in a basic and affordable sprayer.

Reliable Piston Performance

One Piece Design

Allows maximum fluid flow while minimizing wear and pressure loss

Static Packing Design

No need for a wearable cylinder = lower repair costs

High Flow Prime/Spray Valve

Piston Rod

Has thick wall section for longer life and better durability

Large Manifold Filter

Filter handles more paint for longer tip life and increased productivity (500 & 700)

Exclusive Quick Disconnect

To remove "Easy-Out" siphon swivel from lower inlet housing

Rotating Ball Valves

Stainless steel keeps debris from sticking, reducing downtime and maximizing performance and life

TITAN™

Advanced Performance. Total Reliability.

Electric Airless Sprayers

The Best & Longest Warranty in the Industry

Titan electric sprayers are built to last. We are so confident that our IMPACT & ADVANTAGE Series sprayers will hold up to the most difficult jobs that we offer the best and longest warranty in the industry.

4 Year Manufacturer's Defect

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as; filters, piston, packings, tips, etc.

Lifetime Dura-Life Brushless HE and PMDC Brushless Motor Warranty

If the motor fails for any reason (including wear) for as long as you own the sprayer; we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Lifetime Drive Train Warranty

If the drive train fails from normal usage for as long as you own the sprayer; we will replace the drive train at no cost to you.

35-Day Satisfaction Guarantee

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

Express Parts Program

- Over 400 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time.
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST).
