

Padco Classic Angled Trim Pads

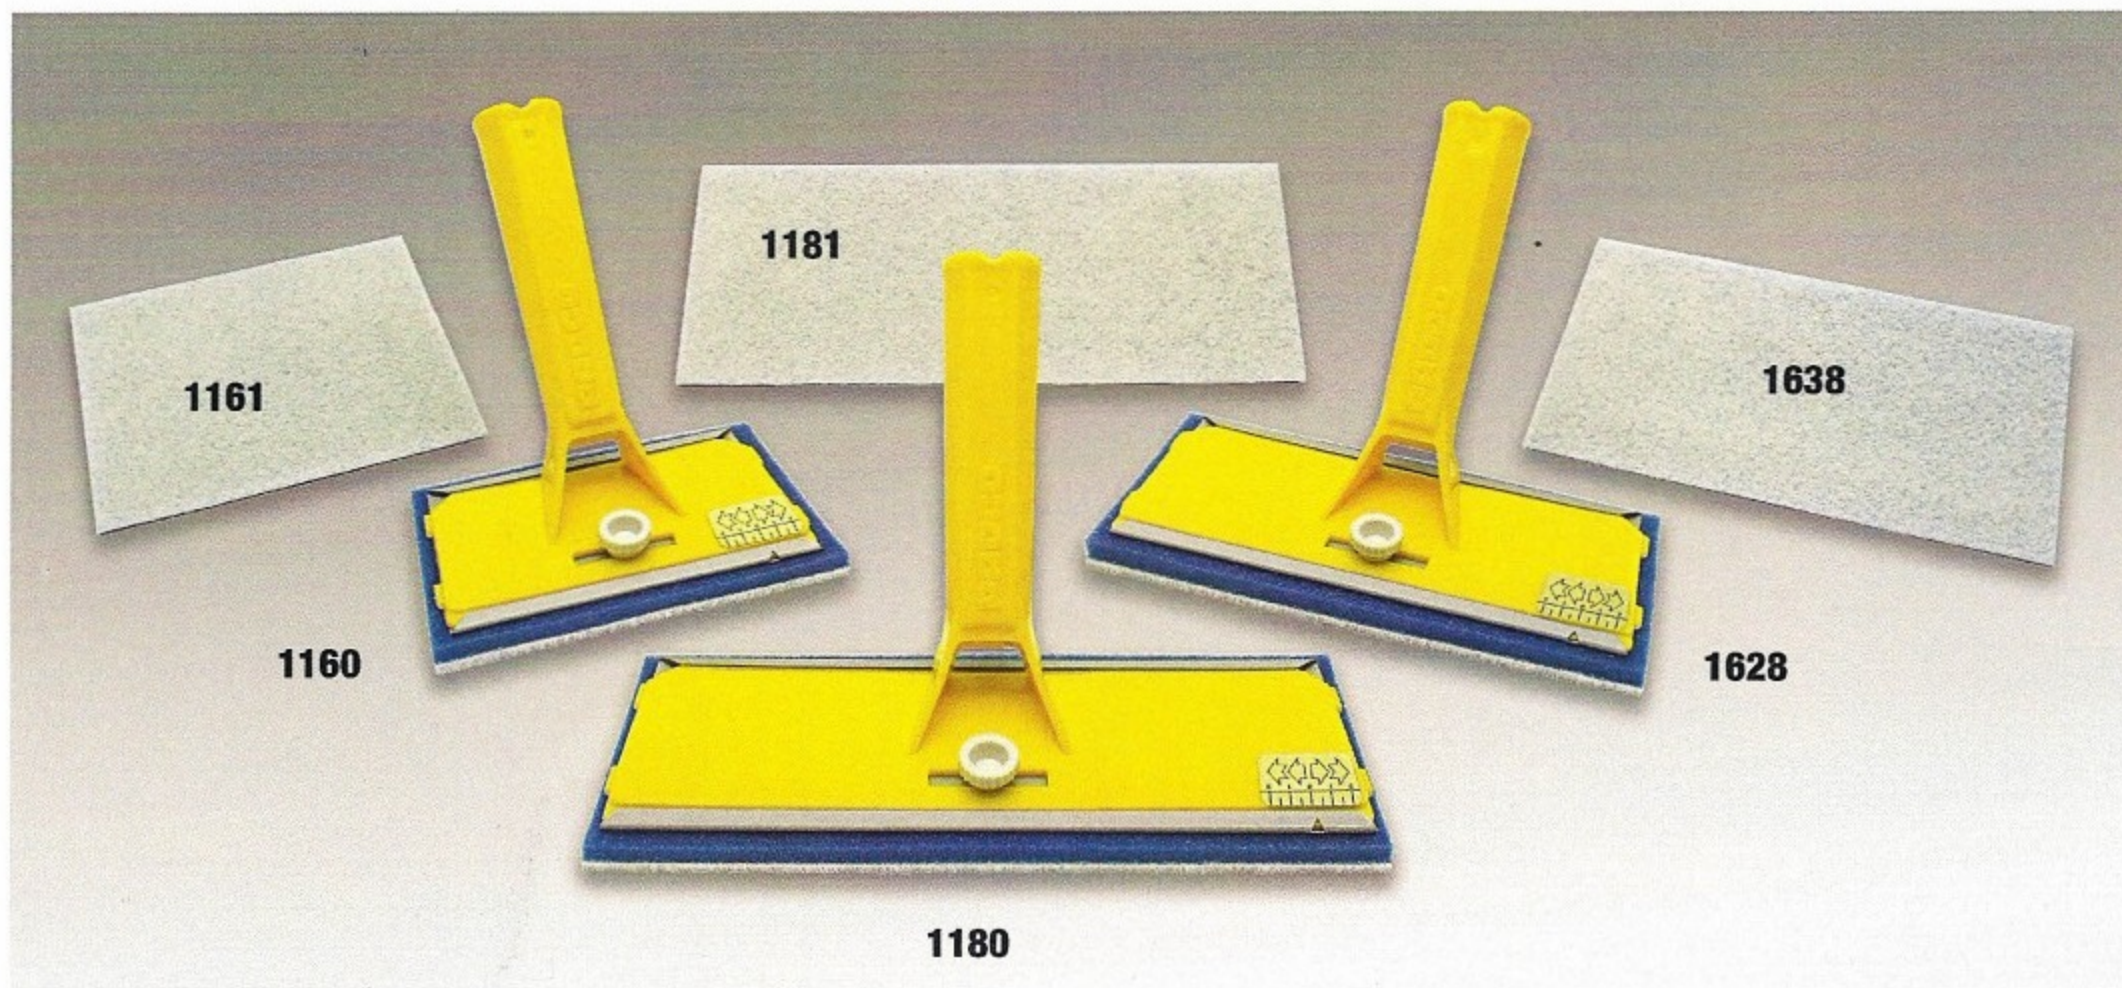

Angled Trim Pads

The Padco Classic Paint and Trim Pads are designed for area painting, edging and cutting-in. The angled shape fits into corners and along baseboards with adjustable trim guides for precise edging. Classic Pads are excellent for use with most waterborne & solvent based paints, stains and finishes. These inexpensive applicators apply a perfect streak-free, lint-free finish every time.

Padco Classic Pads feature:

- A high quality ergonomic molded plastic handle.
- Sturdy metal backing plate is reusable and solvent resistant.
- Adjustable thumbscrew for trimming and edging.
- Thousands of nylon fibers apply a lint-free streak-free finish.
